### TO SOLVE THE NEGRO PROBLEM.

Mr. Wu Suggests Unrestricted Interracial Marriages.

Cleveland, Ohio, Jan. 18.—“Unrestricted interracial marriage is the only solution of the Negro problem in the United States,” so said Minister Wu in an interview to day. China's Minister passed through Cleveland this morning on the way to St. Louis, where he is to address the Chamber of Commerce Saturday night. A reporter boarded the Minister's train and rode as far as Mundie, Ind. Speaking of the turning at the stake of the negro Alexander in Kansas, he said: “Lynching is strictly an American institution. China has been accused of many barbarities, but lynching is not one of them. Burning that poor fellow at the stake—ugh! The very idea makes me shudder. And he died protesting his innocence. Guilty men don't do that. But I don't understand it at all. You brought the black man here against his will. You made him free, or the great Lincoln did. Then you declared him equal to the white man, but you denied him equality. He cannot hold office; that is, you seldom elect him to one. He feels himself an outlaw and acts accordingly.”

“Now, why not assimilate him benevolently, that is really and truly benevolently. There is only one way to do this, and that is to make him a white, not only in color but in nature. I have not given the subject extensive study, but I would say, encourage the Negro men to marry white women, and urge Negro women to marry white men. You now forbid this by law, in many States, yet if it were done, in a few generations the Negro, as such, would be extinct. Instead you would have white men, white in skin and with white men's natures.”

“Of course, the alleged crime for which Alexander suffered is unknown in China. It is a crime that some men's blood. But the American officers seem to help these mobs, instead of protecting their prisoners. The law permits them to kill the mob, but they let the mob kill their prisoners, whom they have sworn to protect. In China an officer who did that would forfeit his life. He would kill himself, rather than suffer disgrace. But in China mobs never form. Prisoners are not guaranteed a trial, but they always get it. Then if they are guilty they suffer. Nations that permit lynching cannot call themselves Christian nations. This habit, and it is a habit here, is a blot upon the nation's good name.”

“It's true the Negro is impudent. I see that in Washington. He is increasing faster than the white, and he is beginning to feel his power. You must face the problem sooner or later, and the sooner you face it the better for you and for the Negro; and I believe you will find the only solution of the problem is to assimilate the colored man by intermarriage.”

Mr. Wu added:

“The only way to keep up with you Americans is to get ahead of you.”

### A VALENTINE.

The Hon. Fred Douglass never knew his exact birthday, but knowing that it occurred in February, he took St. Valentine's day as his birthday. The Colored American, with its usual enterprise, has copyrighted a watch, with full jewel movements, known as the Frederick Douglass watch. Every intelligent Afro-American, every preacher, every school teacher and every school boy ought to have one of these watches. It won't cost anything to get one. See advertisement.

### RICH, HAPPY AND SUCCESSFUL

with all their undertakings, while those who neglect his advice are still laboring again poverty. Through his perfect knowledge of chemistry he can impart to you a secret that will overcome your enemies and win you friends. His aid and advice has often been solicited; the result has always been the securing of speedy and happy marriages and all your wishes, in love affairs he never fails. He has the secret of winning the affections of the opposite sex.

It is the curse of Spiritualism that in large cities there are a class of men and women who claim powers they do not possess. They have neither gifts, credentials, nor references. Surely the colored people are no so wanting in sense as to throw their time and money away on such. Dr. Shea refers to the Hon. Charles Miller, capitalist, 2481 Atlantic avenue; the Hon. William Lenmore architect and builder, 47 Cleveland avenue, and Mr. Arthur Sewell, ship builder South Brooklyn. All have known him for the past ten years. He gives a free test of his power to all. The doctor has practiced five years in New Orleans, St. Louis, Memphis and Louisville, understands thoroughly the diseases, spells or influences the race is subject to. He has now and always had large patronage from them.

### PLEASE READ THE FOLLOWING:

Brooklyn, August 15, 1891—This letter is to certify that I came to New York from Albany. I was a stranger in a strange city, out of work and out of money. I had no luck in anything I undertook. What to do I did not know. A friend advised me to go and see Dr. Shea. I did. He told me the cause of my troubles; he took me in and treated me as a brother. Through him I got a good position that very week. I had been to others, they took my money and did me no good. I bless the day I first met Dr. Shea. I would advise all in bad luck, sick or in trouble to go to him at once.  
Sincerely,  
Albert Ayers,  
2937 Atlantic Avenue.

Brooklyn, August 15, 1891—This letter is to certify that my husband had gone away and had been absent two years. I mourned for him night and day. I gave him up as dead. Hearing of the wonderful things Dr. Shea was doing I resolved to consult him. He told me that my husband was alive and well and where he was; told me he would come home and when. To my joy all of it came true. He is home now, came back like one from the dead. I also wish to say that this month I lost \$250. I am a poor woman and I was almost insane. I went to Dr. Shea and he told me I would find my money and to my intense joy I find it as he told me. I thank God there is a man so gifted in our midst that can help people and tell them what to do.

### A SENSATION IN BROOKLYN—MINISTER'S STATEMENT

I wish to state that one of my parishioners was sick and in trouble for a long time. Mrs. Brown, 37 Gay Street. No one seemed to understand her case. She had several doctors and none of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to call and see her. Hearing of the wonderful work being done by Dr. Shea the last few years, I thought I would call and see him myself. I found him a sympathetic gentleman. He gave me a wonderful test of his powers, told me to send him a lock of patient's hair, which I did by her daughter. He told at once what was the matter, and in a short time cured her and well. Her family had seemingly been under a cloud. Now all is changed. All are well and prosperous. I can truly and heartily recommend Dr. Shea, to all those in sickness or distress of any kind. Rev. William John-

son, pastor Lebanon church, Brooklyn.  
Dr. Shea can show thousands such as above.
